Sir:

The information listed below may be material to the examination of the above-identified application. Copies of the information and completed PTO-1449 form are submitted herewith. The information is cited in an International Search Report in a related PCT application. The Examiner is requested to make this information of official record in the application. Please initial and return the enclosed Form PTO-1449, indicating that the references have been considered and made of record herein.

Accordingly, as specified in §1.97(e)(1), Applicant's undersigned attorney hereby certifies that:

no item of information in the Information Disclosure Statement filed herewith was cited in a communication from a foreign patent office in a counterpart foreign application or, to my knowledge after making reasonable inquiry, was known to any individual designated in 37 CFR 1.56(c) more than 3 months prior to the filing of this Information Disclosure Statement.

The Information Disclosure Statement under 37 CFR §1.97(c) is not to be construed as a representation that: (i) a search has been made; (ii) additional information material to the examination of this application does not exist; (iii) the information, protocols, results and the like reported by third parties are accurate or enabling; or (iv) the above information constitutes prior art to the subject invention.

In the event that an additional fee is required, please charge our Deposit Account No. 05-0150.
